

7th Edition of the World Happiness Summit Returns to Miami with a Theme of Hope, Welcomes Gallup® as Knowledge Partner

Washington DC, March 12, 2025 – [The World Happiness Summit®](#) (WOHASU®) returns to Miami after two years in Europe, bringing together thought leaders, researchers, changemakers, and business pioneers to explore the science of wellbeing for a happier life. With the theme of Hope, WOHASU 2025 - taking place on March 15-16, 2025 - will provide attendees with evidence-based tools to cultivate wellbeing in their personal and professional lives. WOHASU is proud to announce Gallup as a Knowledge Partner for the World Happiness Summit 2025.

The two-day immersive event will feature world-renowned speakers from leading academic institutions like Harvard, Stanford, Columbia, Oxford, London School of Economics, and Yale; exclusive research launches; and interactive sessions focused on wellbeing in business, education, and society. Attendees from over 65 countries will convene on at Miami Beach's beautiful New World Center to learn from the leading voices in economics, education, positive psychology, workplace wellbeing, coaching, and human-centric leadership.

"After two incredible years in Europe, we are thrilled to bring WOHASU to Miami Beach. This year's theme of Hope is more relevant than ever, as people worldwide seek to build resilience and find meaning in their personal and professional lives. Through the science of wellbeing, we aim to empower individuals and organizations with the tools for human flourishing." – Karen Guggenheim, Founder & CEO, WOHASU® and the World Happiness Summit®, featured in Forbes as one of the Top 5 Leadership Summits in the World to Attend in 2025, highlighting its global impact and its role in advancing wellbeing in leadership, business, and public policy.
